CREATE FLAWLESS CABINETRY WITH STYLELITE®

TAKING THE BEST SOMEWHERE NEW – OUTSIDE

Introducing StyleLite® Multi-Purpose Boards – a new water resistant cabinetry solution for covered patios, wet areas and marine applications.

Introducing StyleLite Multi-Purpose Boards – combining the latest technology in substrates with our flawless StyleLite finish. After extensive development, EGR has succeeded in creating an advanced new water resistant substrate material and we've laminated our luxury StyleLite Sheet with this new Wood Infused PVC substrate to create StyleLite Multi-Purpose Boards.

This combination brings the best material for modern cabinetry design into a whole new arena. StyleLite Multi-Purpose Boards are a highly water resistant product, perfect for covered patios and alfresco areas, flood-prone locations, wet areas, and marine cabinetry.

StyleLite – the material for modern design, for both indoors and covered outdoor areas.

Multi-Purpose Boards offer the following durable features:

- Highly water resistant
- >20% lighter than MDF
- Resistant to warpage
- High levels of UV stability
- Mould and vermin proof
- Fully recyclable by mechanical means
- 7 Year Warranty
- Easy fabrication
